SERVICE BREAKDOWN - PACKAGE 2

PACKAGE 2: \$12,000.00*

FULL BUYERS AGENT SERVICE

We work with you to find out exactly the type of property you're after, taking into account location, type and lifestyle factors along with borrowing capacities for you as a home owner. And if you're an investor, we look at potential capital growth or rental yield.

Once we've gathered all the information, we use it to create a buyer's brief and formulate a strategy for finding the ideal property for you.

Then the property hunt begins.

You'll receive a shortlist of properties with a heads up when ideal properties hit the market or before. If you find something you like, we'll also provide a thorough appraisal of the property.

We communicate all our findings. Then we negotiate the best deal.

The process will be complete once you move into the property or your property is tenanted. We will assist with building and pest inspections, finding a Property Manager and everything in between.

(Attendance at Auction is an additional cost)

**pricing inclusive of GST*
